

Visvesvaraya PhD Scheme for Electronics & IT

(Supported by the Ministry of Electronics and Information Technology (MeitY), Government of India)

The Visvesvaraya PhD Scheme is a flagship initiative by MeitY, Government of India, implemented through Digital India Corporation. The objective of the scheme is to increase the number of PhDs in Electronics and IT-related disciplines, promote high-quality research, and strengthen academic-industry collaboration.

IIIT Manipur is Proud to be a Participating Institution. IIIT Manipur gratefully acknowledges the support extended by MeitY under the Visvesvaraya PhD Scheme. The scheme is actively implemented at the institute to nurture research excellence and innovation in cutting-edge domains of Electronics and IT.

Objectives of the Scheme

- Enhance the number of PhDs in the Electronics and IT sectors.
- Support both Full-time and Part-time PhD candidates.
- Encourage Young Faculty Research Fellowships (YFRF).
- Introduce Post-Doctoral Fellowships in future phases.
