*Avadi, Chennai, Tamil Nadu*

and

**Indian Institute of Information Technology Senapati, Manipur (IIITM)**

*Mantripukhri, Imphal, Manipur*

*[Handwritten signatures in green ink]*

This Memorandum of Understanding (MoU) is made and entered into on 30-05-2025 by and between **Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology** (hereinafter referred to as "Vel Tech") and **Indian Institute of Information Technology Senapati, Manipur** (hereinafter referred to as "IIITM"). This MoU is established to foster academic and research cooperation between Vel Tech and IIITM. The aim is to promote mutual collaboration in teaching, research, innovation, and institutional development and thus the two institutions agree as follow:

1. Both institutions agree to encourage direct engagement and cooperation between their faculty members, administrative staff, academic departments, and research laboratories/centers. The collaborative activities may include within the fields that are mutually acceptable, the following general forms of cooperation will be pursued,
  - Visits by and exchange of faculty members, research scholars, and students.
  - Joint research activities and joint supervision of research work in technologies of common area such as Artificial Intelligence, Cyber Security, Quantum Computing, Drones, Data Science and 5G/6G Technology.
  - Joint conferences or symposia on subjects of mutual interest.
  - Joint educational outreach activities.
  - Semester exchanges and internship opportunities for the students of the undergraduate programme.
  - Joint funding proposals.
2. It is agreed that the terms and conditions of any agreed programme and activity contemplated in this MoU shall be the subject matter of separate written agreements to be negotiated and agreed upon by both Parties and/or any third parties, wherever applicable. PROVIDED ALWAYS the decision whether to initiate and/or implement any programme or activity shall be at the sole discretion of each Party.
3. This memorandum is not intended to create binding or legal obligations on either party. It merely expresses the intentions and understanding of the Parties which will form the basis of any legally binding agreement to be drafted and executed in the future.
4. Both parties understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.
5. The Parties agree and undertake to keep confidential at all times any information or data that may be exchanged, acquired or shared in connection with any programme or activity conducted pursuant to this MoU save where the same is already in public domain.
6. Nothing in this MoU grants to either party any right or license to use the other party's name, logos, or other trademarks except in a mutually-agreed fashion.

7. The MoU is initially valid for a period of three years. If there is satisfactory progress in the work envisaged here, the MoU may be extended for a longer period. It may be terminated at any time by mutual consent or by three (3) months' notice in writing by either party.
8. Should ongoing collaborative activities be affected by termination, the parties undertake to resolve any issue amicably by mutual agreement without any reference to a third party.

Every notice, request or any other communication required or permitted to be given pursuant to this MoU shall be in writing, in English and delivered personally or sent by registered or certified post via air mail or by courier or email (which shall be acknowledged by the other Party) to the Parties at the addresses stated below:
