2. Within fields that are mutually acceptable, the following general forms of co-operation will be pursued:
  - Visits by and exchange of faculty members, research scholars, and students.
  - Joint research activities and joint supervision of research work.
  - Joint conferences or symposia on subjects of mutual interest.
  - Joint educational outreach activities.
  - Semester exchanges and internship opportunities for the students of the undergraduate programme (at least 5 students at a time with prior approval)
3. It is agreed that the terms and conditions of any agreed programme and activity contemplated in this MoU shall be the subject matter of separate written agreements to be negotiated and agreed upon by both Parties and/or any third parties, wherever applicable. PROVIDED ALWAYS the decision whether to initiate and/or implement any programme or activity shall be at the sole discretion of each Party.
4. This memorandum is not intended to create binding or legal obligations on either party. It merely expresses the intentions and understanding of the Parties which will form the basis of any legally binding agreement to be drafted and executed in the future.
5. Both parties understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.
6. The Parties agree and undertake to keep confidential at all times any information or data that may be exchanged, acquired or shared in connection with any programme or activity conducted pursuant to this MoU save where the same is already in public domain.
7. Nothing in this Memorandum of Understanding grants to either party any right or license to use the other party's name, logos, or other trademarks, except in a mutually-agreed fashion.
